G.O.No.1522 P.H., Dated 22-10-1924 lays down that rural dispensaries should be supplied free of cost medicines to the value of Rs.360/- a year. But in the year 1928--29 the dispensary at Rupangudi was supplied with medicines costing Rs.408/- i.e., Rs.48/- in excess of the above amount. This amount of Rs.408/- includes the cost of stores and also other incidental charges, such as excise duties, cost of jars, cost of packing cases, cartage & railway freight. The cost of stores is only Rs.284/- while the other charges have come to Rs.124/-. Evidently the excess is due to the latter charges. I request that the Government would be pleased to sanction payment of this amount (Rs.48/-) from the amount provided for the other rural dispensaries under this Taluk Board.

The President is informed that the amount of Rs.360/- prescribed in paragraph 4 of G.O.No.1522 P.H., dated 22-10-1924, includes packing and transit charges and that there is no need to raise this amount. The Government understand that in the indent in respect of the rural dispensary, Heraihadagalli

the cost of drugs and drssings amounts to Rs.210-13-0, the cost, the cost of surgical instruments being Rs.81-4-0 and that if depot charges, excise duty, etc.,, are added to the cost of drugs and dressings, the total value will not exceed the sum of Rs.360/-. The cost of the surgical instruments etc., which form part of the permanent equipment of the dispensary should not be taken into account in arriving at that amount. The question of allowing local boards to obtain their supplies locally is separately under consideration and orders thereon will issue in due course.
